ALL NURSERY STOCK

listed in this catalogue can be obtained or purchased only through this catalog or by calling at our office here in Fargo, No. Dak. We do not authorize representation by salesmen. **NOW YOU** can buy direct from a nationally recognized professional Landscape Firm at the lowest possible cost. **YOU WILL SAVE** the middleman operating cost and the usual salesmen's commissions. It will pay you to buy direct from a firm that is experienced in the Landscape Profession. All our plants are graded according to rigid horticultural standards as adopted by the American Association of Nurserymen. Your guarantee of **QUALITY STOCK**. Our stock is northern grown, **HARDY** and **ACCLIMATED**.

A - PRUNUS TRILOBA

From one end of the country to the other, this shrub seems to be the most popular. It's masses of double pink flowers in the early spring before the leaves unfold is truly a beautiful sight. Each 3-4 ft. size \$2.50; 2 for \$4.80.

B - PRUNUS CISTENA

Grows about 6 ft. high. Has rich wine-colored foliage all summer long. A lovely accent plant in either foundation or border. You will like this one. Each 3-4 ft. size \$2.50; 2 for \$4.80.

C - SPIREA VAN HOUTTEI

Long, graceful drooping sprays of white flowers. Often called Bridal Wreath. One of the best and hardiest shrubs for all-around purposes. Each size 3-4 ft. \$1.40; 2 for \$2.60.

D - SPIREA SORBIFOLIA

A good shade-loving shrub. Has fern-like foliage with white plummy spikes of blossoms. Grows about 4 ft. high. Very beautiful. Each size 2-3 ft. \$1.50; 2 for \$2.90.

E - SPIREA FROBELLI

Large rosy-crimson flowers. Suitable for most any location where a low shrub is required. Grows well in shade or sun. Each size 18-24 in. \$1.40; 2 for \$2.70.

F - SNOWBALL

Continues to hold the affection of planters everywhere. Has masses of snowball-like flowers. Each size 2-3 ft. \$1.75; 2 for \$3.30.

G - HYDRANGEA (Arborescens)

This is the hardy variety. Immense crops of large showy white flowers. Sometimes called Hills of Snow. Blooms June to frost. Each size 2-3 ft. \$1.65; 2 for \$3.20.

H - DOGWOOD (Red Twig)

Grows 5 to 6 ft. high. Good in shade. Has white flowers. It's great usefulness lies in it's red bark and twigs for the winter landscape. Each size 3-4 ft. \$1.50; 2 for \$2.80.

MAPLE (Ginnala)

Half shrub and half tree. Grows about 10 to 12 ft. high. Small maple leaf foliage. Good for background or screening purposes. Bright red foliage like the maples in fall. Each size 3-4 ft. \$2.50; 2 for \$4.80.

CURRENT (Yellow Flowering)

Grows about 5 ft. high. Exceptionally fragrant. Yellow flowers, followed by edible fruits. Good in shade. Best in border plantings. Each size 2-3 ft. \$1.50; 2 for \$2.80.

SPIREA (Snowgarland)

Hardy, new improved earliest white-flowering. Lacy-like foliage. Very attractive in early spring. You will

value this shrub above many others. Each size 2-3 ft. \$1.50; 2 for \$2.80.

HONEYSUCKLE (New Dwarf)

A real dwarf, grows about 2½ to 3 ft. high. Very densely branched and compact. Can be sheared into a globe if desired almost like a Mugho Pine. Very hardy and practical where low shrubs are required. Each size 18-24 in. \$1.75; 2 for \$3.30.

GOLDEN MOCK ORANGE (New Dwarf)

Because of it's bright golden foliage and dwarf habit of growth, it's contrast among other shrubs is most striking. Recognized as one of the good newer shrub developments. Each size 18-24 in. \$3.00; 2 for \$5.80.

North Dakota customers add 2% Sales Tax on all items listed in this catalog.

J - CORNUS (Variegated)

Variegated foliage is beautiful. Thanks to Mother Nature. Very dark red branches and twigs in the late fall brings life into your winter landscape plantings. Each size 2-3 ft. \$2.00; 2 for \$3.80.

K - SNOWBERRY

Very desirable low-growing shrub producing white berries that remain into winter. Grows well under trees or in the shade. Each size 2-3 ft. \$1.25; 2 for \$2.40.

L - Highbush CRANBERRY

White flowers. Lovely foliage all summer. Gorgeous in it's autumn colorings. Grows about 6 to 7 ft. high. Each size 3-4 ft. \$1.75; 2 for \$3.40.

M - CARAGANA (Pygmaea)

A low bushy dwarf shrub originated in Canada. Very hardy. Unlike common caragana. Has large yellow golden-bronze flowers. Grows about 3 ft. high. Unexcelled for corner sidewalk plantings to eliminate cutting across lawns. Each size 18-24 in. \$1.50; 2 for \$2.80.

North Dakota customers add 2% Sales Tax on all items listed in this catalog.

N - MOCK ORANGE (Coronarius)

This good old-fashioned variety has it's place in every yard. Grows 8 to 9 ft. high. White fragrant flowers. Each size 3-4 ft. \$1.75; 2 for \$3.40.

O - MOCK ORANGE (Minnesota Snowflake)

Plant Patent No. 538. Undoubtedly one of the most sensational flowering shrubs in the Mock Orange family. Grows about 7 to 8 ft. high. Each size 2-3 ft. \$2.25; 2 for \$4.40.

P - MOCK ORANGE (Virginalis)

Very popular all over the country and among our Fargo-Moorhead customers. Semi-double white fragrant flowers. Grows about 3 to 4 ft. high. We think this is one of the tops in ornamental flowering shrubs. Each size 2-3 ft. \$1.90; 2 for \$3.60.

R - LILACS (French Hybrids)

Here is your chance to get at low cost the very choice, beautiful French Hybrid Lilacs. Your choice of colors, dark red, deep blue or creamy white. All double. Delightfully fragrant. Dark waxy leaves. Each size 2-3 ft. \$2.50; 2 for \$4.80.

S - LILAC (Persian)

Fragrant purple flowers. Will not sucker. Grows about 6 to 7 ft. high. Each size 3-4 ft. \$1.50; 2 for \$2.80.

T - MOCK ORANGE (Lemoine)

White fragrant single flowers. Densely branched. Grows about 3 to 4 ft. high. Excellent for foundation and border plantings. Likes sunny exposure. Each size 2-3 ft. \$1.50; 2 for \$2.80.

V - HONEYSUCKLE

We are proud to be able to supply one of the newest and best varieties of the Honeysuckle family. Dark red blossoms followed by beautiful red berries. The birds love them. Excellent for the background and screening our undesirable views. Grows about 8 to 10 ft. high. Each size 3-4 ft. \$1.50; 2 for \$2.80.

W - COTONEASTER

There are many varieties of cotoneaster. Ours is the dark green shiny-leaf foliage all summer long. Turns to beautiful brilliant red in fall. The best all-around shrub for both foundation and border plantings. We think it is a wonderful shrub and very hardy. Each size 2-3 ft. \$1.50; 2 for \$2.80.

CLEMATIS JACKMANI

The Aristocrat of the Climbing Flowering Vines. Large purple flowers. Suitable for trellises, pergolas, arbors, etc. Very hardy and dependable. Strong 2-year plants each \$1.75; 2 for \$3.40.

BETA GRAPE

Ideal for fences, arbors, trellis, etc. It's foliage is most attractive. Bears abundance of fruit and wonderful for jelly. Strong 2-year plants 3 for \$2.25.

BOSTON IVY

Dark green waxy foliage. Clings tight to brick, stone, stucco. Turns purplish red in autumn. Boston Ivy is neat, tight and compact. Do not confuse this with the common ragged Engleman Ivy. Strong 3-year plants each \$1.75; 2 for \$3.25.

BITTERSWEET

Hardy vine with glossy green leaves. Yellow flowers followed by orange-red berries in fall and very popular for cutting and hanging in home. Strong 2-year plants each \$1.25; 3 for \$3.00.

A-1 - BARBERRY (Red Leaf)

Low dwarf shrub. Wine-colored foliage all summer. Grows well in shade. Provides a lot of character in any planting. Each size 18-24 in. \$1.50; 2 for \$2.80.

A-2 - BARBERRY (Green Leaf)

Same habit of growth as Red Leaf except foliage is green in summer and turns brilliant red in fall with lovely attractive red berries all winter long. Each size 18-24 in. \$1.40; 2 for \$2.60.

A-3 - RUSSIAN OLIVE

Tall growing tree-like shrub. Grows about 14 to 16 ft. high. Beautiful silvery foliage. Useful for background or screening out undesirable views. Very hardy. Each size 3-4 ft. \$1.70; 2 for \$3.20.

A-4 - NINEBARK (Dwarf)

Thickly branched and most suitable for foundation or border plantings. Good foliage, white flowers. Grows about 5 ft. high. Each size 2-3 ft. \$1.50; 2 for \$2.80.

A-5 - GOLDEN ELDER

Foliage is yellow gold. Good contrast among other shrubs. Grows about 5 ft. high. Each size 2-3 ft. \$1.50; 2 for \$2.80.

A-6 - CURRANT (Alpine)

Low-growing shrub. Densely branched, wonderful foliage and very good in shade. Recognized by landscape experts as one of the best all-around practical dwarf shrubs. Each size 18-24 in. \$1.75; 2 for \$3.30.

A-7 - HANSA ROSE (Rugosa)

Very hardy shrub rose, grows about 3 to 4 ft. high. Large double red blossoms, ever-blooming. Plant several of these and enjoy hundreds of fragrant and colorful blossoms all summer long. 2-year plants each \$1.50; 2 for \$2.80.

A-8 - TAMARIX

This is the only hardy variety we know about and we have tested many. Grows 10 to 12 ft. high. Has pink feathery flowers and lacy foliage. Each size 2-3 ft. \$1.50; 2 for \$2.80.

A-9 - HUGONIS ROSE

Grows 5 to 6 ft. high. Typical hardy shrub variety. Loaded with yellow fragrant flowers. Early summer flowering and is Grandmother's favorite. 2-year plants each \$1.50; 2 for \$2.80.

APPLE varieties - Haralson, Wealthy, Anoka, Northwest Greening, Red Duchess. **Crab varieties** - Dolga, Whitney. Apples and Crab prices: Each size 5-6 ft. \$2.50.

PLUM varieties - Underwood, Opata, Superiod, Waneta. Each size 5-6 ft. \$2.75.

CHERRY - Oka - Each size 4-5 ft. \$2.75.

STRAWBERRIES - Superfection - 25 for \$2.60; 50 for \$4.45; 100 for \$7.10. Post-paid.

RASPBERRIES - Latham - 25 for \$4.50; 50 for \$8.50; 100 for \$15.00.

GOOSEBERRIES - Pixwell - 3 for \$2.25.

RHUBARB - Chipmans Canada Red - 3 for \$2.25.

ASPARAGUS - Washington - 25 for \$2.00; 50 for \$3.75; 100 for \$6.00.

CURRANT - Red Lake - 3 for \$2.25.

GRAPE - Beta - 3 for \$2.25.

NOTE: 25 plants or more sold at rates below.

COTONEASTER

Dark glossy green foliage in summer. Colors beautifully in the fall. Can be trimmed from 2 to 5 ft. as desired. Space plants 18 in. apart. Each size 18-24 in. 55c.

SPIREA (Bridal Wreath)

Grows about 4 to 5 ft. high. Pure white flowers. A very good hedge for all general purposes. Grows in most any soil and very hardy. Space plants 2 ft. apart. Each size 18-24 in. 50c.

HONEYSUCKLE

Tall growing hedge. Dark red flowers followed by attractive red berries. Very hardy and fast growing. Space plants 2 ft. apart. Each size 2-3 ft. 60c.

CARAGANA (Pygmaea)

Grows about 2 to 3 ft. high. Dwarf form, densely branched. Very hardy. This makes a beautiful low dwarf hedge. Space plants 12 in. apart. Each size 12-18 in. 60c.

PERSIAN LILAC

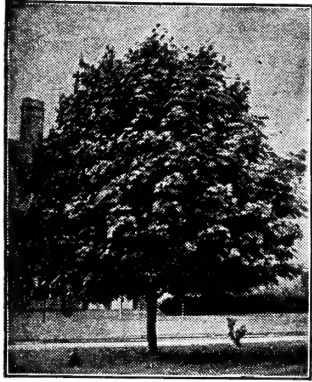

Lovely flowering fragrant purple flowers. Grows about 4 to 5 ft. high. Can be trimmed if desired. Will not sucker. Space plants 2 ft. apart. Each size 18-24 in. 60c.

ALPINE CURRANT

Finest of all low-growing hedges. Dense compact upright branch system. Lovely green foliage. Looks best trimmed to about 18 in. high. Really beautiful. Each size 12-15 in. 65c.

Trees for Comfort and Beauty

They provide charm to the home grounds—CHRISTIANSON'S trees are carefully selected for form, well branched and will develop into beautiful lawn specimens. You can entrust your nursery stock orders to Christianson's.

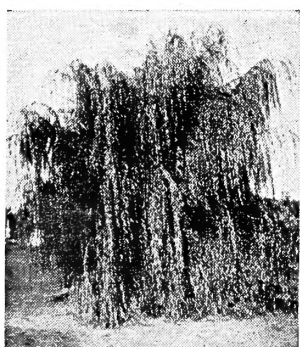

Crimson King Maple

Soft Maple

Mountain Ash

Weeping Willow

CRIMSON KING MAPLE - New! Spectacular! Beautiful! Words can hardly describe this lovely tree. Leaves are brilliant crimson all summer. Grows like any other majestic tree. Plant Patent No. 753. Each size 5 to 6 ft. whips \$6.25.

SOFT MAPLE - Fast growing shade tree. Colors of gold in fall. Do not overlook the Maples. We recommend them highly. Each size 8 to 10 ft. \$7.50.

MOUNTAIN ASH - Attractive ornamental tree. Has white blossoms followed by clusters of red berries in late summer. Each size 6 to 8 ft. \$6.00.

WEeping WILLOW - Slender drooping branches, golden bark. An old favorite. Lovely for back yard or next to water pools. Each size 6 to 8 ft. \$4.00.

LOMBARDY POPLAR - Used for skyline effects or screening background. Narrow and columnar. Very rapid grower. We have a good strain of northern grown parent stock and low branched. Each size 6-8 ft. \$2.50; 8-10 ft. \$3.50.

AMERICAN ELM - Our best hardwood tree and very hardy. Grows most anywhere. What is more beautiful than a stately Elm? Ideal for lawn and boulevard. Each size 8-10 ft. \$7.50; 10-12 ft. \$12.00.

GREEN ASH - Another excellent hardwood tree. Will tolerate most any soil condition and very hardy. Dark green foliage. Our stock is of a select strain. A good dependable shade tree. Each size 8-10 ft. \$7.50.

CUT LEAF WEEPING BIRCH - Most favorite ornamental tree of all. Very hardy and grows rapidly. Here in Fargo-Moorhead can be seen some of the finest specimens in all America. They seem to like our soil conditions and thrive especially well. Has beautiful white bark with slender weeping branches with a cut-leaf foliage, hence it's name Cut Leaf. Each size 6-8 ft. \$6.50; 8-9 ft. \$7.50.

WHITE NATIVE BIRCH - Lovely and very hardy tree with white bark. Several can be planted in the same hole for clump effect, usually three and four in one hole. Each size 6-8 ft. \$6.00; 3 or more each \$5.00.

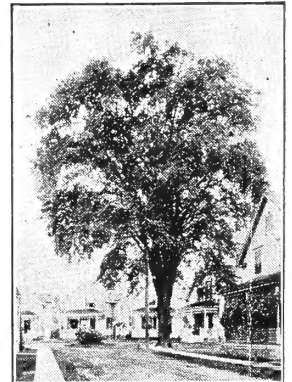

Lombardy Poplar

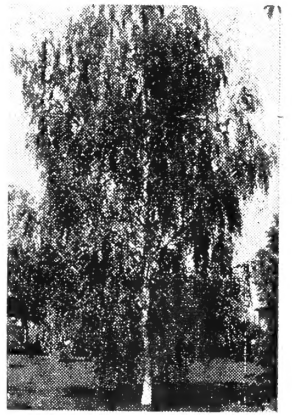

Green Ash

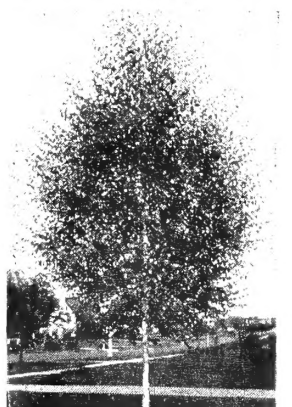

HOPA FLOWERING CRAB - Recognized as the better of all Flowering Crabs. Loaded with rose-pink flowers followed in late summer by small dark red fruits and these are often used for jelly. Fruits are equally as beautiful as the blossoms. Seems to grow anywhere and very hardy. Without question our finest and most popular flowering tree. Each size 5-6 ft. \$3.50.

American Elm

Cut-Leaf Weeping Birch

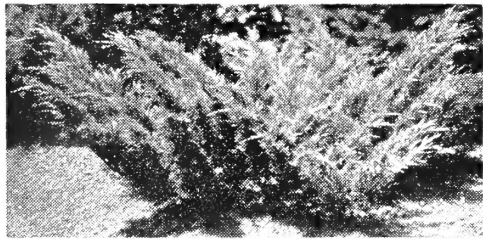

White Birch

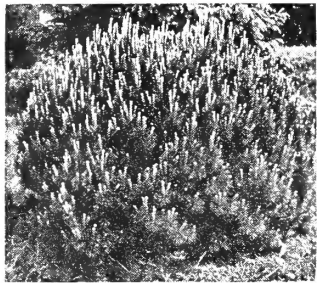

Hopa Fl. Crab

Black Hills Spruce

Savin Juniper

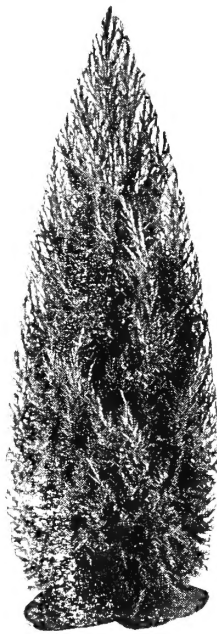

Mugho Dwarf Pine

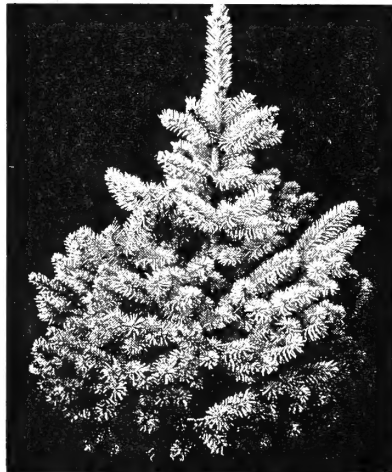

Pfitzer Juniper

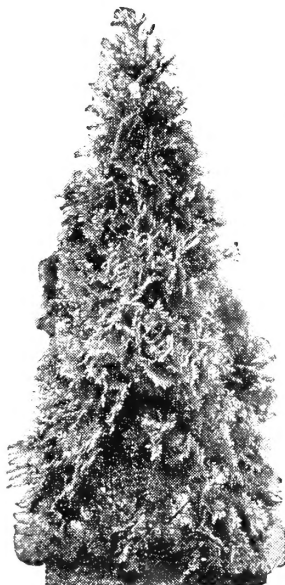

Andorra Juniper

Pyramidal Grafted Juniper

Colorado Blue Spruce

Pyramidal Arborvitae

(NOTE: All our evergreens are select specimens adapted for the most exact landscape use. Quality stock that cannot be surpassed elsewhere in the entire Northwest. Each tree expertly BB which means balled in earth and continues to grow in it's own soil without interruption.)

BLACK HILLS SPRUCE

Hardest of all Spruce. Thick, compact, highly ornamental as a specimen or in cluster plantings. Always a rich fresh green color. **Select specimens BB Each size 2½-3 ft. \$9.50; 3½-4 ft. \$15.00.**

PYRAMIDAL JUNIPER (Grafted)

Grafted means a true reproduction of it's parent stock. Most beautiful and hardest of all Pyramidal Junipers. Requires very little shearing as it retains it's pyramidal form and will not grow rank or out-of-bounds. Ideal for accenting house corners, step or doorway entrances. **Select specimens BB Each size 2½-3 ft. \$12.50; 3-3½ ft. \$15.00; 3½-4 ft. \$17.50.**

SAVIN JUNIPER

One of the finest low-growing prostrate evergreens. Most appropriate for foundation plantings and also planting on grave lots. Hardy and dependable. **Select specimens BB Each size 18-24 in. \$9.50.**

MUGHO PINE

Globular in form with dense thick compact growth of pine needles. Practical for framing a low brick step entrance and general foundation plantings. **Select specimens BB Each size 15-18 in. \$10.00.**

COLORADO BLUE SPRUCE

Few evergreens have obtained the popularity of the Colorado Spruce. There are three shades of color, Green, Blue and Shiners. Due to the scarcity of Colorado Spruce, our supply is very limited. (Write for prices and special quotations).

PFITZER JUNIPER

Low-growing prostrate habit of growth. One of the most desirable for general foundation plantings. Very hardy. **Select specimens BB Each size 18-24 in. \$11.00.**

ANDORRA JUNIPER

Of great value in landscaping for sloping banks, terraces. Hugs close to the ground and rarely gets higher than 10-12 in. Lovely green color in summer, Tips of branches turn a pinkish color in fall. Very popular. A beautiful evergreen. **Select specimens BB Each size 18-24 in. \$9.00.**

PYRAMIDAL ARBORVITAE (Dark Green)

One of the most widely planted Cedars. Dark green color and attractive form. Not good in extreme sun but tolerates shade very well. Used extensively for accenting house corners, doorway entrances, etc. We have a select northern strain of Arborvitae. **Choice specimens BB Each size 2½-3 ft. \$12.00; 3½-4 ft. \$15.00.**

North Dakota customers add 2% Sales Tax on all items listed in this catalog.

ROSES

ORDER NOW!

For Parks, Public, Industrial and Private
Grounds. All designs will be executed personally
by W. T. Christianson or under his supervision.
Qualifications: Having served the midwest pro-

fessionally for 30 years. Serving as a member of the Executive Board
National Landscape Nurserymen's Association for 10 years and as
President 1955 and 1956. In beautifying your grounds, plan and design
are of utmost importance. It is always best to have your landscape
design prepared in advance when we can give our undivided time and

OUR LAWN SEED contains not less than 55%
North Dakota grown Kentucky Blue Grass of
the highest germination and purity test. Con-
tains not less than 5% Merion Blue Grass and

other necessary nurse crop grass seeds. Our mixture is the result of
many years experience in the actual construction of lawns. It is the best
mixture we know how to provide for you and at as low cost as possible.
Allow 1 lb. to 150 sq. ft. for new lawn area. 1 lb. to 300 sq. ft. for re-
seeding old lawns. Prices 1 to 4 lbs. \$1.40 per lb. 5 to 9 lbs. \$1.20

lbs. \$1.05 per lb.

TERMS: Cash with order, whether you are
rated A1 or have no rating at all. We don't
mean to be discourteous to anyone. It is
simply our way of doing business and figures

largely in lower prices and a more efficient service. Everybody knows
that the maintenance of a credit system with consequent bookkeeping,
slow and bad accounts are expensive. We have neither. Cash or
C.O.D. is the selling policy of the large nurseries all over America.
Finance payments can be arranged for by several of our local financing
Institutions. Many customers take advantage of this method of low
monthly payment plan. We will be glad to assist in obtaining such
financing arrangements. Prices listed in this catalog are f.o.b. Fargo,
No. Dak. Purchaser pays shipping costs unless otherwise specified.
Small shipments in some cases are cheaper parcel post and then we will
notify customer amount due to cover postage before shipment. Any
overpayment will promptly be refunded. We make no charge for
packing costs, bales, boxes, etc. (North Dakota customers, include 2%
Sales Tax required, in your remittance)

careful thought to their treatment. During the spring and fall rush
our time and attention must be concentrated on actual distribution and
planting. Our complete **LANDSCAPE DESIGNING SERVICE**,
with estimates on cost, are available to our local Fargo-Moorhead
customers without charge. For out-of-town customers it is necessary
to make a moderate charge to cover cost of time and traveling expense.
Your inquiries are invited and we will be happy to answer all your
questions in detail. All plan designs must be executed before the spring
and fall rush season.

RA-PID-GRO FERTILIZER - Analysis 23% Nitrogen, 21% Phos-
phoric Acid, 17% Potash. It contains everything known to science for
the promotion of plant growth. Will not burn. Add 22 gallons of
water to each lb. of Ra-Pid-Gro. Prices 1 lb. \$1.25, Postpaid \$1.57;

\$8.75, Postpaid \$9.68; 25 lbs. \$21.00, Postpaid \$22.94.

FLAGSTONE - For stepping stones, walks, patios, etc. Price .02½¢
per lb. Lower prices in ton lots.

GUARANTEE: We will resupply once only, at one-half of the original
purchase price all Ornamental Shrubs, Hedges, Shade Trees, Ever-
greens which fail to grow the first growing season with the ex-
ception of Evergreens that have been damaged by dogs. (NOTE: We
do not guarantee Roses, Perennials, Bulbs or Forestry stock.) Plant
failures must be reported by September 1st following season of planting
and accompanied by one-half original cost of plants if replacements are
wanted for next current planting season. No replacements will be
filled unless advance notice and remittance is received by September 1st
as above stated. Replacements will not be planted unless previous
arrangements have been arranged for and charges will be on the same
basis as new planting orders. Please remember that nursery stock is a
living element the same as human life. No power existing can guarantee
life. If we could Insurance Companies would be non-existent. Our
very liberal replacement guarantee is possible only because we have full
confidence in the vitality of our plants and trees and know they will suc-
ceed with normal care and attention.
